It was moving day...  
Emily and Kitty were leaving...

...The new house was nestled at the  
edge of the forest...  
Kitty was the only friend she had now.

Emily was looking at a Harmon,  
One of Mother Nature's Children

"Where's Kitty?"...

Emily looked down and saw the  
most amazing sight...  
...a little person, no bigger than  
her thumb.

Emily cried out, "Kitty... Kitty?"...Nothing.

Emily held Kitty close to her...  
She and Kitty were lost.
